

2016
MAY 11-12

EHS Compliance
Excellence Conference

MAY 11-12 | CINCINNATI, OH

National Association for Environmental Management

Copyright © NAEM. All Rights Reserved.

Program Schedule

Wednesday, May 11

8:00 - 9:00 a.m.

Registration and Breakfast

9:00 - 9:15 a.m.

Welcome and Introductions

- **Carol Singer Neuvelt**, *Executive Director*; NAEM

9:15 - 10:00 a.m.

Opening Keynote: GE Aviation EHS Programs - Positioning for the Future

Hear how GE is learning and adapting for the future by focusing on the key priorities that will position it for success.

- **Tim Meyers**, *Global Facilities and EHS Leader*; GE Aviation

10:00 - 10:15 a.m.

Break

10:15 - 11:45 a.m.

Selling Safety

A culture of safety is set at the top, but needs to be carried out and ingrained and every level to succeed. Hear case studies of how safety cultures have been branded and sold internally to create the desired outcome..

- **Gregory Bopp**, *Director Compliance Assurance*; Honeywell Aerospace
- **Andy Schneider**, *Corporate Manager - Safety & Health*; Caterpillar Inc.

11:45 a.m. - 12:45 p.m.

Lunch and Exhibit Hall

12:45 - 1:45 p.m.

NAEM Benchmark Discussion: Environmental Risk Auditing

Join this discussion to understand how many of your peers developing or currently using programs to identify and audit risk scenarios. This interactive session will feature results from NAEM's conference survey, and will look at what sort of risk-related data is being utilized, and then how it drives the direction of audits. The full set of results will be made available to all conference attendees.

- **Taylor Gelsinger**, *Research Analyst*; NAEM
- **Paul Narog**, *Manager, Corporate Environmental Operations*; 3M

1:45 - 2:15 p.m.

Break

2:15 - 3:30 p.m.

Using Consultants And Contractors Effectively

Whether because of limited staff levels, or as a strategic move in your auditing program, using external consultants in an effective manner can have a real impact on the success of your compliance programs. This session will examine strategies used in selecting and managing outside consultants in order to get the results you need.

- **Allen Stegman**, *General Director, Environmental and Hazardous Materials*; BNSF Railway
- **Kristen G. Dickey**, *Compliance Services Lead*; WSP Parsons Brinckerhoff
- **Megan Lum**, *Director, Environment, Transmission*; Pacific Gas & Electric Co.

Managing Ahead of Change

During times of change are when it is most important that compliance efforts are able to continue smoothly, but interruptions such as reductions in staffing and merger activity make it easier for lapses to occur. Find out how your peers are fortifying their culture and programs to be able withstand periods of transition.

- **Chris Herrmann**, *Director - Environmental, Health & Safety*; Carlex Glass
- **Steve Groseclose**, *Senior Director, Risk Management, Sustainability & Real Estate*; GLOBALFOUNDRIES U.S. INC.

3:30 - 3:45 p.m.

Break

3:45 - 5:00 p.m.

Growing Operational Ownership of Risk

This session will focus on engaging employees who have an impact on your organization's risk exposure, and developing their ownership of the issues. The presentations will take a specific look at communication, and establishing a common risk language.

- **Dave Roberts**, *EHS Growth & Risk Leader*, General Electric Co.
- **Matt Schroeder**, *Division Environmental Manager*; Charter Steel Inc.

5:00 - 6:00 p.m.

Networking Reception in Exhibit Hall

8:00 - 9:00 a.m.

Registration and Breakfast

9:00 - 9:15 a.m.

Morning Announcements

- **Carol Singer Neuvelt**, *Executive Director*; NAEM

9:15 - 10:30 a.m.

Maximizing the Business Value of an EHS Audit Program

Using benchmarking results from the International Audit Protocol Consortium's 7th biennial survey on EHS auditing practices as the framework, this interactive session will include presentations on best practices in EHS auditing and a facilitated discussion of emerging trends, with a focus on improving the business value of a company's EHS audit program. Among the topics to be explored will be the role of quality assurance and quality control in improving the effectiveness of an EHS audit program and strengthening the corrective action process to decrease an organization's EHS risks.

- **Lissa Aquino**, *Senior Staff Representative – Environmental Analysis & Reporting Programs*; United Airlines Inc.
- **Jeff McCormack**, *Audit Manager – Environmental, Management System, and Product Stewardship*; Georgia-Pacific LLC
- **Kent Kading**, *Vice President, Global EHS Consulting Services*; AECOM

10:30 - 10:45 a.m.

Break

10:45 a.m. - 12:00 p.m.

Domestic and International Regulatory Update

Stay current with highlights from the US and around the globe. The first speaker will cover current EPA enforcement priorities along with a look to the year ahead, including a specific look at the impact of the presidential election season. Our second speaker will deliver the top 3 developments that you should be aware of from each region of the globe, with extra attention on enforcement activities in China.

- **Rachel Degenhardt**, *Head of Global Services*; Enhesa SA
- **Kristen Duda**, *Vice President*; CH2M

Building a Cohesive Data Management Strategy

Find out how your peers are utilizing a variety of technologies to capture the right data and then convert it into meaningful information that drives business decisions.

- **Kisa Adkins Baskin**, *Global Environment Compliance Program Manager*; Newell Rubbermaid Inc.
- **Kelvin Sanborn**, *EHS Operational Analytics Manager*; General Electric Co.

12:00 - 12:45 p.m.

Lunch and Exhibit Hall

12:45 - 2:00 p.m.

Leadership in EHS

To get the best EHS results, you need to maximize the effectiveness of your staff. Find out how to understand what is holding employees back from reaching their potential, and then motivate them by making your pitch personal and passionate.

- **Shawn Hopkins**, *Regional HSE Leader & Global Behavior & Culture Leader*; Procter & Gamble Co.

2:00 p.m.

Dakota Software
1375 Euclid Ave, Ste 500
Cleveland, OH 44115
www.dakotasoft.com
216-765-7100

Dakota Software's ProActivity Suite combines the latest regulatory content with easy-to-use tools for managing EHS compliance. Using proprietary Decision-Tree-LogicSM, the ProActivity Suite helps users determine which of the tens of thousands of regulatory requirements are applicable to their locations, facilities or pieces of equipment. It then guides them in the creation of unique profiles which are used to achieve and maintain regulatory compliance and operational sustainability through snap-shot auditing and forward-looking analysis. ProActivity prompts continued compliance by automatically notifying users of forthcoming requirements and recent regulatory changes.

Our goal was simple - de-mystify the complexity of regulations and action tracking so you always know what's been done and what's coming. Dakota remains dedicated to delivering the crucial information that helps you reign in the chaos of EHS compliance. Our solutions allow you to gain the insight you need to achieve and maintain EHS excellence. Learn more at www.dakotasoft.com.
